#### CDXA DECEMBER DINNER MEETING !!

OUR QUARTERLY MEETING WILL TAKE PLACE ON SATURDAY, DECEMBER 5, AT THE ROYAL PALACE CHINESE RESTAURANT IN DOWNTOWN CHARLOTTE. Eyeball/Highball at 7:00, and order-your-own dinner at 7:30. We may even feature one of N4ZC's famous quizzes, so come prepared.

During the meeting we will elect new club officers for 1988. If you are interested in serving, please contact the nominating committee (K2SD, WA4UUP, K4MQG). The club needs your support, and it is very important that members who have not served before step forward and do their share.....1988 should be a very exciting year for the CDXA, and a strong set of officers will insure our success.

The program will be provided by Tom, WB4IUX from Clemson, SC, who will describe the packet radio DX system used by Atlanta DXers, and which may soon be available in this area !!!!

# CDXA CQWW DX SSB CONTEST RESULTS

The following CDXA members have reported their scores to N4ZC. If you have sent your score directly to CQ, please let Roger know your numbers so we can track the CDXA club effort. If you would like Roger to do the dirty work, just send him your logs, and he will do it. THE DEADLINE for the SSB weekend is December 1!
